

## Trinity Christian College Jennie Huizenga Memorial Library

*Challenge: Set the architectural tone for the rest of the master planned buildings, transforming the campus as a symbol of movement toward new growth.*

- 33,000-square-foot, two-story library/classroom building
- enclosed link to the existing classroom building and a covered arcade/walkway to the future science building
- initial collection of 70,000 to 80,000 volumes can expand to 120,000 without addition to the building
- AIA Grand Valley Distinguished Building Award
- Illumination Engineering Society of North America Design Award
- Associated Builders & Contractors Award of Excellence (second place institutional)
- Palos Heights, IL
